

1st Quarter Middle School News

TruLife . 9:30 am . Sundays

This is your opportunity to begin making some relational connections with others through our Small Groups (we call them **Clusters**). You'll not only have a chance to mingle, listen to some music, and have some fun competing against other Clusters for a prize each morning, but you'll learn a lot about how to make a connection between God, the Bible, and your actual life! Come get to know some other middle school kids and learn to live your **Life** with purpose.

WildLife . 6:30 pm . Wednesdays

You'll enjoy a variety of ways to express yourself through games and discussions as well as hearing a story or two to give you some energy for your **Life** and put a smile on your face. We meet in the "Big Room" by the front entrance. We are fairly active so make sure you wear comfortable clothes and shoes. Looking forward to seeing you and meeting your friends.

AfterLife . TBA . Saturdays

Your friends are always welcome at Hope, but this function of **Life** is geared specifically towards your non-church going friends. It's a cool and safe place to expose them to 'church' stuff. We won't usually talk about Jesus at these events, but you will see him through our actions as we make your friends feel at home. Since most our AfterLife events are

on Saturday nights, invite your friends to stay the night at your house then bring them back to church in the morning!
