

## You Are Prewired For Ministry

Did you know, Our Heavenly Father has already prewired each of us for life together with him and with others? By simply using the gifts and abilities He has given you, you have all you need to follow Him and to share His love.

The Career and Ministry Workshop is designed to help you discover how you are “wired” and how to use those gifts and abilities.

### If you are:

- Preparing to enter college
  - Completing college and entering the workforce
  - Seeking a new career that inspires you
- DON'T MISS THIS WORKSHOP!!!

## The Investment of Your Life

Consider this: Before you make an investment, you have to determine what assets you have to spend. As Jesus taught, before we begin building something, we must first make sure we have the resources to complete it (Luke 14:28).

To help determine the “assets” God has given you, we are offering the Dynamas Assessment as an optional part of this workshop.

## Do you know your strengths, needs and abilities?

This is not simply a Spiritual Gifts test. The Dynamas is considered the best personal inventory assessment available. Participants take the assessment online prior to the workshop, and results are reviewed at the workshop. Hope is providing Dynamas assessments at a discount price. Scholarships are also available.

Even if you choose not to take the Dynamas assessment at this time, you will still greatly benefit from other aspects of this workshop.

## If you've ever asked any of these questions, THIS workshop is for you!

How does God direct career choices?

How am I gifted to serve?

How can my walk with Jesus be more than just attending church?

Can anyone be involved in ministry?

Does ministry happen outside the church walls?

Could my job be my ministry?

How much training does someone need to follow Jesus?

Is just sharing a cup of water in Jesus' name really ministry?

How can I involve Jesus in my life every day?

Can anyone follow Jesus?
