## **YOUR OBLIGATIONS TO HOPE COMMUNITY CHURCH**

Should you receive funding from HCC these are our expectations from and of you.

Of course there is the old standard "conduct yourself in a manner that is pleasing to the Lord." (Whatever happens, conduct yourselves in a manner worthy of the gospel of Christ. Then, whether I come and see you or only hear about you in my absence, I will know that you stand firm in one spirit, contending as one man for the faith of the gospel - Philippians 1:27) We hope your support organization has already drilled this into your head but it is one of our highest expectations and as such can not be over emphasized.

Complete a Daily Trip Journal. This Trip Journal should start before the trip and end after the trip. You should received one with your funding. If not contact the church office (316-733-9131) to get one. The Journal serves many purposes, not the least of which is to help/force you to focus on specifics of who and what GOD is. You will also find it easier to make cohesive trip reports by reviewing your daily entries in your Journal.

Report back to our OutWord Focus team at one of our meetings on what you learned and what was accomplished. This "debriefing" will help you to reflect back on your trip and also give you the opportunity to talk about your experiences, good and bad. Suggestions and recommendations to the team are always welcome and will be solicited. If you have noticed something we could or should have done differently, this is your chance to let us know. We welcome and in fact NEED this input.
